EDUCATION

SRM Institute of Science And Technology, Kattankulathur, Tamil Nadu - 603203 | 2024-2028
Bachelor of Technology in Computer Science Engineering

Apeejay School, Panchsheel Park, New Delhi - 110017 | 2010-2024
High School Diploma

SKILLS

- **Frontend Development:** HTML, CSS, JavaScript (responsive design, DOM basics)
- **Backend (Learning):** Springboot, Node.js, Express.js, REST APIS
- **Version Control:** Git, GitHub
- **Programming Fundamentals:** Java, Python, C
- **Problem-Solving:** Writing clean and structured code, debugging through practice
- **Collaboration:** Effective teamwork and communication in group settings

CERTIFICATION

- **Introduction to Front End Development - Simplilearn | Oct 2025**
  Skills: HTML, CSS, JavaScript, ReactJS, Angular, Git & GitHub
- **TCS ION Career Edge - Young Professional | July 2025**
  Skills: Professional Communication, Interview Preparation, Resume Writing, Digital Literacy, Technical
- **Complete Modern C++ - Udemy | April 2025**
  Skills: Modern C++, OOP
- **Introduction to Career Skills in Data Analytics - LinkedIn Learning | September 2024**
  Skills: Data Analytics, Tech Career Skills
- **IT in Everyday Life - The Open University | JULY 2024**
- **Business Analysis & Process Management - Coursera | November 2023**
  Skills: Business Process Improvement, Lucidchart

ACTIVITIES AND HONORS

Hackathons

- ReGenHack 25-School of Computing, SRMIST
- MOZOHACK 6.0-SRMKZILLA

Gained experience in problem-solving, collaboration, and building solutions under time pressure

Workshops & Training

- ENDURO 2024-Software Training & Inner Personality Development (IIT Hyderabad)
- Pythoneers: Code, Create & Conquer - Python workshop (SRMIST ACM SIGCHI Student Chapter)
- WEBCRAFT 1.0-Web Development workshop (Corizo x CODENEX CLUB SRMIST)
